This resource is based on an initiative by Wide Bay Hospital and Health Service.

- You may also choose to store other important healthcare information such as:
- Your doctor's name and contact details
 - Names and contact details of other healthcare providers
 - A list of your medications
 - Information about any alerts and allergies
 - Treatment plans, such as a Palliative Care Plan or Acute Resuscitation Plan
 - Scans, referral letters, appointment booklet or anything else related to your healthcare
 - Your emergency contact details

If you need help completing or accessing these forms, please contact Queensland Health's Office of Advance Care Planning on 1300 007 227 or visit www.qld.gov.au/careatendoflife

- Enduring Power of Attorney form
- Advance Health Directive form
- Statement of Choices form
